Welcome to EUROG
the social and cultural network of Europeans of the Ottawa-Gatineau region!

EUROG's objectives are both to facilitate Europeans of the region to meet others while participating in social and cultural activities and to encourage European culture in the Ottawa- Gatineau region.

On our website you will find :

EUROG Gatherings

EUROG gatherings are organized with restaurants and bars that promote European specialties. These monthly European gatherings are for those who wish to spend an evening together and thus develop their social network. Non-Europeans are of course most welcome. Whether you come alone or accompanied, you will find yourself in good company.

Cultural Events

We will inform you of cultural and artistic events featuring European artists, intellectuals, countries, official cultural events such as national festivals and holidays, and other activities organized by different Europeans communities.
